

Christmas Time

Music and Lyrics
By Gaynor the
Piano Queen

Well it's the greatest happiest time of the year
Family, friends all gather and cheer
Singing songs of Peace and Joy
It is Christmas Time

Come on, Oh it's the greatest Time of the year
Wrapping gifts and trimming the Tree
Cooking, shopping, frolicking fun
It is Christmas Time

Take some time to say a prayer
For the broken hearted and Unprepared
It's a time to celebrate
With Love and Peace and Joy, we Share

Oh, it's the greatest time of the year
Family, friends all gather for cheer
Singing song of Peace and Joy
It is Christmas Time

Count your blessings and share the Joy
For kind hearts always have an open Door
Friendly smiles and loving thoughts Will flow
Cause it's that time of the Year, we Know

Oh, it's the greatest time of the year
Family, friends all gather for cheer
Singing song of Peace and Joy
It is Christmas Time

Oh, it's the greatest time of the year
Family, friends all gather for cheer
Singing song of Peace and Joy
It is Christmas Time
It is Christmas Time
